- (c) The HSCC will have its own Dorians available for hire for a fee of \$25 (maximum of 40).

3.3 Conduct of the Event

- (a) Consists of Street, Club, Modified and Unlimited classes.
- (b) Vehicles will be allocated into groups according to lap time and/or speed (closing speed). Each group may contain vehicles from a different class.
- (c) Competitors will take position in pit lane before the start of their group session.
- (d) Timed sprint session length will consist of a Twelve (12) minute timed session, plus cool down lap.
- (e) On estimate the number of groups will be 4-6 depending on attendance numbers.
- (f) Track Density groups will consist of up to 14 vehicles.
- (g) All laps following the out lap during the session will be timed, and published as soon as practical post session.
- (h) The number of laps in this component may be varied at the discretion of the Clerk of the Course.
- (i) A top 5 Single lap Shoot-out may be conducted during the last session for each class at the end of the day.

3.4 Code of Conduct

- (a) Directions from officials must be obeyed. All drivers are required to behave in a safe and responsible manner at all times.
- (b) A speed limit of 10 km/h shall apply in the pit and paddock area. Failure by any driver to respect this limit may lead to exclusion from the competition. The imposition of this penalty shall be at the discretion of the Stewards.
- (c) All drivers must attend all notified drivers briefings at the Event. In addition to appropriate OH&S matters, a drivers briefing will include information that the organisers believe is necessary to explain or reinforce to drivers.
- (d) Failure to attend compulsory driver's briefings/site induction will result in a fine as per the NCR or other disciplinary action at the discretion of the Motorsport Australia Stewards of the Event.
- (e) Intentionally placing wheels of the car outside the sealed competition surface delineated by a white perimeter line will not be tolerated and may incur a penalty.
- (f) Burnouts are prohibited. The Clerk of the Course is the judge of fact for determining whether a burnout has been conducted.
- (g) Vehicles with deflated tyres must cease motorsport activities and return to pits as soon as feasibly possible. Failure to do so will incur a penalty up to exclusion as determined by the Stewards.
- (h) The Event will continue in all conditions, with exceptions given in extreme conditions.
- (i) Dumping of oil in a non-approved oil waste bin will incur a penalty.
- (j) Motorsport Australia media policy applies to the conduct of this Event, can be found on the Motorsport Australia website.

3.5 Protests and Appeals

- (a) Protests must be lodged in writing and handed directly to the Clerk of the Course, or if this is not possible, to the Stewards of the Event, in accordance with the NCR and accompanied with the appropriate fee.
- (b) Only the competitor or their appointed representative has the right to protest.

3.6 Driving Standards

- (a) The Promoter advises all drivers to be mindful that not all drivers will be on a fast lap at the same time during the Event.
- (b) Drivers are asked to be always mindful of other vehicles, particularly those on a fast lap.
- (c) Failure to drive with sufficient awareness of other vehicles including but not limited to paying attention to blue flags will result in a penalty which may include a monetary fine, cancellation of a time set or up to exclusion from the Event.

3.7 Vehicle Damage

Any driver whose vehicle develops an oil leak or vehicle damage and does not remove the car from the circuit as soon as possible, or continues to drive their vehicle on the circuit, may incur a penalty. This matter will be treated seriously and penalties may include cancellation of a time set, a monetary fine or up to exclusion from the Event.

3.8 Vehicle Break Down

In the event a competitor vehicle breaks down or leaves the circuit and is unable to continue, drivers are to remain in the vehicle until instructed by event officials to get out of the vehicle only when it is safe to do so and move behind the safety fence or barrier. Drivers are not to attempt to repair their vehicles.

3.9 Officials Authority

Any competitor not following the reasonable instruction by an official (Scrutineer, Flag or Fire Marshall, Promoter, Steward and or Race Control) during the event may incur a penalty.

3.10 Unsporting Behaviour

Competitors demonstrating behaviour that, in the opinion of the Clerk of the Course, provides them with an undue competitive advantage may be penalised or disqualified from the competition. This applies whether the advantage is because of deliberate actions on part of the competitor, or simply an incident or circumstances that might unjustly influence the results.

3.11 Change of Driver/Vehicle

A Change of Driver or Change of Vehicle form must be completed by the competitor if these actions are being undertaken. The completed form/s must be returned to the Secretary of the Event.

3.12 Flag Marshalling

Flags used at flag points are regulatory and will have the same meaning as per the Motorsport Australia Manual. Failure to obey flag signals will incur a penalty.

3.13 Disciplinary Procedure

Should a driver be in breach of any of the rules outlined in this document or any other any documents related to the event, including additional instructions outlined in compulsory drivers briefing, they may incur a penalty.
